

Certificate of Thanks

Awarded to:

MR. LOWE

In recognition of your help and support in the campaign to distribute Children's Safety Books into the schools of Britain and Ireland.

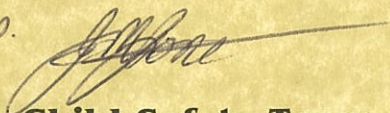

With your help we are managing to reach thousands of school children every week.

The thanks of the teachers and pupils from schools such as the one which you have chosen to support are pouring in, and the campaign is proving to be a great success.

This has only been possible with your support.

On behalf of the teachers and pupils, we would like to thank you and offer our deepest appreciation of your kind support.

Our very best wishes,

PP.
